

Learning kit for October and November

Yellow Orrchid

Orchid Montessori House introduces insects theme in the months of October and November. It's really important for kids to explore the bug life in the garden because it's been proven that being connected to nature makes one happier.

Orchid Montessori House has carefully designed the learning kit to engage the little one in the activities that will change their thought about insects and they will find out what makes insects so amazing. Few insects are very beautiful with their patterning and colouring. The kids who was scared of creepy crawlies is well now say WE LOVE BUGS!

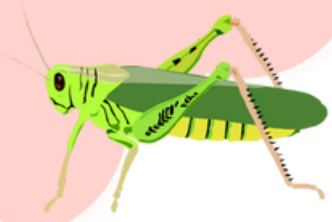

Learning kit for October and November

Contents

1. Make your Shape
2. Story Sequencing: Little Miss Muffet
3. Mia and the Firefly
4. Metamorphosis of a Butterfly
5. Pattern Matching
6. Find my home: Insects
7. Rhyming Words
8. Divine Vehicles
9. Diwali Sparkle
10. Nursery Teacher

Learning kit for October and November

Yellow Orrchid

1. Make Your Shape

Materials:

- Five different Shape puzzle cards divided into two parts

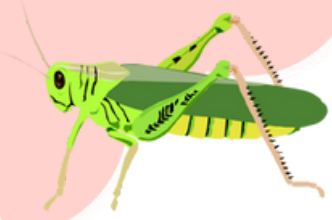

Method:

1. The child will place all the puzzle cards on the working mat.
2. He/She will pick up any one piece of a puzzle.
3. He/She will then search for the matching half of that piece and place it beside the first one to complete the shape.
4. Once the shape is complete, he/she will say the name of the shape aloud and how many sides it has for better recognition.
5. The child can check and confirm the name of the shape by looking at the back side of the puzzle.
6. In this way, he/she will continue completing all the remaining shape puzzles one by one.

Learning Outcomes:

- Improves shape recognition and visual discrimination.
- Strengthens problem-solving and logical thinking skills.
- Enhances fine motor skills and hand-eye coordination.
- Builds patience, concentration, and sequencing ability.
- Encourages independent learning and confidence.

2. Story Sequencing: Little Miss Muffet

Materials:

- A set of flash cards of the rhyme

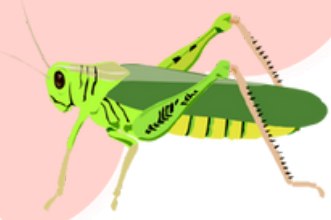

Method:

1. The child will place all the flash cards on a mat.
2. The parent will first sing or recite the rhyme with the child associating it with each card.
3. As the rhyme is sung, he/she will pick the correct card and arrange them in proper sequence.
4. After practice, the child will attempt to sing the rhyme independently while arranging the cards.

Learning Outcomes:

- Enhances memory and recall through rhyme recitation.
- Strengthens sequencing skills by arranging the cards in order.
- Improves vocabulary and pronunciation while singing the rhyme.
- Encourages listening and observation skills.
- Builds confidence in reciting rhymes independently.

3. Mia and the Firefly

Materials:

- One Story card
- One fairy light with a firefly picture pasted

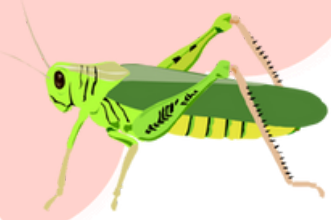

Method:

1. The parent will read the story “Mia and the Firefly” to the child with expressions and actions.
2. The parent can show the glowing fairy light and explain how fireflies light up at night.
3. The child can retell the story in his/her own words after understanding it.

Learning Outcomes:

- Develops listening and comprehension skills.
- Enhances imagination and creative thinking.
- Builds vocabulary and language development.
- Encourages story sequencing and expression of thoughts.

Learning kit for October and November

Yellow Orrchid

4. Metamorphosis of a Butterfly

Materials:

- Four cards showing the stages of a butterfly's life:
 - Egg on a leaf
 - Caterpillar
 - Pupa (Chrysalis)
 - Butterfly

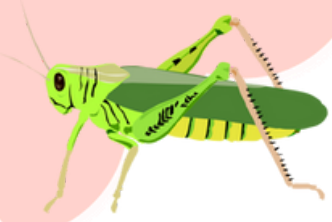

Method:

1. The child will spread the four cards neatly on a chowki or mat.
2. The parent will first explain each stage of the butterfly's life.
3. The child will then arrange the cards in the correct sequence — starting with Egg, then Caterpillar, followed by Pupa, and finally the Butterfly.
4. The parent can ask to repeat the sequence and describe each stage to reinforce understanding.

Learning Outcomes:

- Understands the life cycle and transformation process of a butterfly.
- Develops sequencing and logical thinking skills.
- Improves observation and vocabulary related to nature.
- Encourages curiosity and appreciation for living organisms.
- Enhances fine motor skills through card placement and arrangement.

5. Pattern Matching

Materials:

- 10 picture cards of different butterflies
- 10 circular cards featuring close-up wing patterns

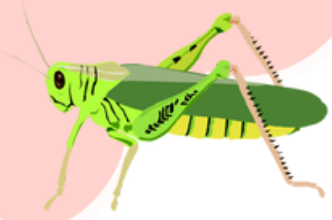

Method:

1. Place the 10 butterfly picture cards in front of the child.
2. Hand him/her one circular pattern card at a time.
3. Ask him/her to inspect the patterns, colours, and textures to find the matching butterfly.
4. Encourage the child to explain what details helped him make the match (e.g., spots, stripes, or distinct colours).

Learning Outcomes:

- Strengthens visual discrimination and observation skills.
- Sharpens attention to fine details and patterns.
- Fosters concentration and critical thinking through interactive play.

6. Find My Home -Insects

Materials:

- 8 insect cut-outs
- 8 home picture cards

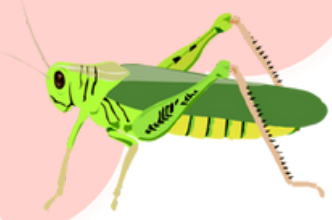

Method:

1. Hand the child one insect cut-out at a time.
2. Ask the child to look at the picture cards and find the place where that insect lives.
3. For example: bee → beehive, ant → anthill, spider → web.
4. Encourage the child to name both the insect and its home aloud as they pair them up.

Learning Outcomes:

- Recognises and names common insects and their homes.
- Develops observation and matching skills.
- Improves vocabulary related to insects and nature.
- Builds curiosity and awareness about the living world.
- Encourages concentration and logical thinking.

7. Rhyming Words

Materials:

- Word slips: fog, leg, sun, bag, hen, jar, mug
- Objects: log, peg, bun, tag, ten, car, bug

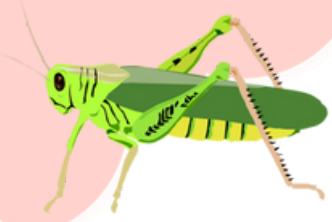

Method:

1. Invite the child to spread all the word slips in a line on the mat.
2. Ask the child to pick up one object at a time and say its name aloud.
3. Encourage the child to find the word slip that rhymes with the object.
4. The child places the object beside its rhyming word.
5. Example: fog → log, sun → bun, hen → ten.
6. Encourage the child to read each rhyming pair aloud.

Learning Outcomes:

- Develops phonemic awareness.
- Builds vocabulary.
- Improves listening and speaking skills.
- Develops word-matching skills.
- Makes learning fun and interactive.

8. Divine Vehicles

Materials:

- Picture cards of Goddess Durga, Lord Ganesha, Goddess Lakshmi, Goddess Saraswati and Lord Kartikeya
- MDF cut-outs of their respective vehicles
- Rangila paint with primary colours
- Paintbrush

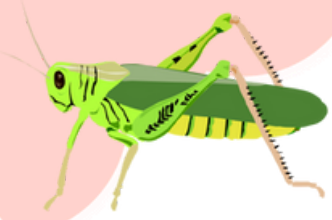

Method:

1. Open the packet and take out the MDF vehicle cut-outs, and allow the child to observe and identify the different vehicles.
2. Introduce each vehicle and discuss which God/Goddess it belongs to.
3. Provide the child with rangila colours and a brush.
4. Encourage the child to colour the vehicle cut-outs neatly and creatively with adult help. (Proper colours can be made for the vehicles by mixing the primary colors).
5. Once the colouring is complete, take out the God/ Goddess picture cards.
6. Ask the child to identify each God/ Goddess and match it with the correct vehicle.
7. Encourage the child to name both the God / Goddess and its vehicle while matching

Learning Outcomes:

- Children will recognise different vehicles associated with the Gods and Goddesses.
- Children will develop colour recognition and fine motor skills.
- Children will improve hand-eye coordination, concentration and creativity.
- Children will develop observation, identification and matching skills.
- Children will gain awareness of Indian culture and traditions

9. Diwali Sparkle

Materials:

- Rangoli pattern stencils
- Assorted vibrant rangoli colours

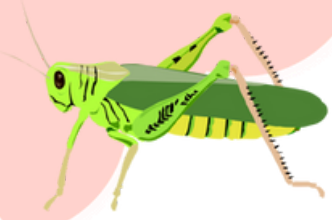

Method:

1. Place the stencil flat on a clean surface or sheet of paper.
2. Give the child small amounts of rangoli colors to gently sprinkle over the stencil openings.
3. Ask him/her to smooth out the colors evenly across the pattern using his fingers or a small tool.
4. Carefully lift the stencil to reveal the completed colorful pattern.

Learning Outcomes:

- Enhances fine motor skills and hand-eye coordination.
- Encourages creativity and colour exploration.
- Introduces traditional cultural art forms in a hands-on way.

Learning kit for October and November

Yellow Orrchid

10. Nursery Teacher

Materials:

- One puzzle board with cutouts
- Colourful letters from A to Z
- Colourful numbers from 0 to 10
- Vowels (A, E, I, O, U)

Method:

1. Take all the puzzle pieces out of the board and mix them up on the floor or table.
2. Ask the child to pick up a letter or number and find where it goes on the board.
3. Help the child gently push the piece into the right slot so it fits perfectly.
4. Use the very bottom row to show the child the five special vowel letters: A, E, I, O, and U.

Learning Outcomes:

- Helps children learn their ABCs, numbers, and vowels.
- Builds hand strength and eye coordination by matching the pieces.
- Teaches problem-solving skills as children find the correct shapes.

Learning kit for October and November Yellow Orrchid

As your child engages with the activities set, we want to emphasize the importance of completing each activity before moving on to the next. We believe these activities will provide enjoyable and educational experience to your child. If you have any questions or need any further information, feel free to reach out.

HAPPY LEARNING!!
